### **Round 2: 21<sup>st</sup> March 2023(7:30pm)**

#### **Mainly Interview based on Java & SQL**

Firstly, Interviewer asked for an introduction.

Do you know about OOPS? Explain it?

All the four's pillars of oops? (Recommending you please explain with examples)

What is Exception handling?

What is JVM?

#### **SQL**

Difference between Truncate, delete, drop?

What is foreign key?

What is Joins?

Interview was so easy and it ended within 15-20 minutes but it's not the same for all the panels. Some of the panels were taken approx. 1 hour.

### **Round 3: 21<sup>st</sup> March 2023(9:30pm-10:30pm)**

After completion of the interview HR called me and informed, I had cleared the interview and the directors wanted to meet. After some time ma'am sent me a link and the directors were talking about my family, parents profession, Hobbies, How many Interviews you had given?

Why are you not selected? Like that just general questions were asked. After that they announced the result. I am from INFT, 1 student from COMPS and 1 from MCA were selected.

**Note: If you get a call from HR that means you are selected. Interview & director's meeting on the same day.**

For me they called me at 9:30pm for a director meet & they ended at 10:30 pm approx. Just as time passes, they are doing.

**Results:** During the Directors meeting they informed me you will be getting an offer letter within 2 days. But the official announcement in the college was done the next day.
