

Deloitte.

Placement Experience

General Stuff

- Decent Money
- Takes Lots of People
- Want holistic, well rounded people
- Softs skills >>>>>

Screening Test

- Major Eliminations
- Verbal and Math
- Timed Sections
- Reading Comprehension and Arranging Sentences

Interview

- Selection Ratio high (1 in 2 closely)
- Be well dressed, well prepared, well slept, well organized.
- Pay Attention in the pre-placement talk
- 10 Panelists, randomly assigned. One-on-one interview
- Smile and Maintain good posture when you walk in. First impressions matter.
- Resume and Elevatory Speech
- Many panelists, hence type of questions will vary.
- My guy seemed HR ka or Management ka, so he didn't ask me the more mainstream kinda questions, non-tech mostly, but that seems like the exception not the rule.

Interview

- Be well prepared in Basic interview tech and coding questions.
- Be Prepared to handle bouncers.
- Resume Related Questions
- Detail mein bohot zyada questions puch sakte hai. Like kuchbhi cross question kar denge. So don't put false stuff on your resume, rather, exaggerate and put emphasis on your strong points
- YOU HAVE THE POWER TO STEER YOUR INTERVIEW
- Practice speaking in front of the mirror, practice handshake wagera also, take nothing lightly.

Best of luck! Prepare well!
