PROJECTS

Mock Interview Assistant & Resume Analysis

Python, Gemini

- This AI-powered platform offers personalized mock interviews based on resumes and job positions, providing users with tailored feedback. It was developed during my participation in Hackathon.

ReadWiz

Python, Huggingface, Gemini

- The "ReadWiz" project revolutionizes text processing, offering advanced summarization and paraphrasing features to enhance information extraction and comprehension.

Facial recognition based attendance management system

Python

- This system takes attendance electronically with the help of face recognition. The attendance is marked after student identification.

Technothon 2024

HTML, CSS, Javascript, Bootstrap

- Developed a website for VESP Polytechnic's hackathon participation, creating a user-friendly interface and seamless experience for participants.

INTERNSHIP EXPERIENCE

Indian Financial Technology and Allied Services (IFTAS)

July 2024 - Ongoing

Development intern

- Currently working with technologies such as Flutter, Figma, React, and Bootstrap, contributing to various development projects and gaining practical experience in modern tech stacks.

Star Speakers

February 2024 - April 2024

Front-End development intern

- As a front-end developer using React and Bootstrap, I worked closely with a talented team to develop a project, enhancing my skills in front-end technologies.

Securetain

July 2021 - September 2021

Full stack development intern

- Working collaboratively with a team of skilled web developers, I assisted with the front-end and back-end development of the websites and learned valuable PHP and SQL knowledge through participation and learning chances.

ACHIEVEMENTS

- Secured 1st position in Syrus Hackathon for the project Mock Interview Assistant and Resume Analysis (Category GEN-AI).
- Secured 1st position in Technical Paper Presentation held at department level in Vivekanand Education Society's Polytechnic.
- Secured 3rd position in Vivek Technotronics Project Exhibition.
- The Marian Award - St. Mary's High School
