EDUCATION

BE in Artificial Intelligence and Data Science (CGPA till sem6 - 9.7) 2021 – 2025

Vivekanand Education Society's Institute of Technology

HSC (96.67%) 2019 – 2021

Vaze Kelkar College, Mulund East

SSC (97.4%) 2007 – 2019

DAV Public School, Thane West

PROFESSIONAL EXPERIENCE

SDE Intern 05/2024 – 07/2024

Cere Labs 🔗

- Created and deployed packages to convert documents (DOCX, PPTX, TXT) into images using Python libraries. Tested and successfully released them.
- Implemented WebSocket communication to establish real-time, bidirectional connections between clients and servers using FastAPI.

Frontend Developer Intern 05/2023 – 07/2023

TechAsia Mechatronics 🔗

- Created a website for an IoT massage machine with tracking capabilities, enabling owners to monitor the status of all operational machines via a centralized dashboard..
- The website was built utilizing HTML, CSS, Bootstrap, JavaScript, Node.js, and Express.

PROJECTS

Pizza Sales Analysis 🔗 05/2024 – 06/2024

SQL, PowerBI

- Developed an interactive dashboard for pizza sales analysis using SQL and Power BI.
- Utilized SQL queries to extract and aggregate data on key metrics, including total revenue, average order value, total pizzas sold, and sales trends by day and month.

Living Locale Rating 🔗 03/2024 – 04/2024

Python, HTML/CSS, Flask

- Developed a habitability prediction app using Flask, which evaluates the suitability of a locality based on user inputs.
- Implemented data preprocessing and model inference in Python, utilizing a regression model to predict habitability scores.

BookBuddy 🔗 06/2024 – 07/2024

Python, HTML/CSS, Flask

- Developed a book recommendation app using collaborative filtering in Python, integrated with a Flask web application.
- The app dynamically displays popular books and suggests similar items, leveraging pre-processed data and trained model.

SKILLS

- Languages : Java, Python, SQL
- Web Technologies: HTML, CSS, Flask
- Visualization Tools: PowerBI
- Database : MySQL

POSITION OF RESPONSIBILITY

Point of Contact VESIT Industry Connect Team

- Head of a 13 members team.

Placement Coordinator

- Look after the student database and be the point of contact between students and industry.

Class Representative

- Class Representative of AI & DS branch for 2 consecutive years.
