INTRODUCTION

I am a dedicated Computer Engineering student at Vivekanand Education Society's Institute of Technology with a GPA of 9.54. I have hands-on experience in CI/CD pipelines using GitLab and AWS, and have developed solutions like Cognitive Care and an Alumni Tracking System. I published a research paper on Cognitive Care, highlighting its innovative approach to Alzheimer's detection. Passionate about continuous learning, I have earned certifications in Deep Learning, Networking Basics, and Web Development.

EDUCATION

Vivekanand Education Society's Institute of Technology	Oct 2021 - May 2025
Bachelor's Degree in Computer Engineering : GPA - 9.54 (till sem VI)	
D A V Public School New Panvel	Jun 2019 - May 2021
Higher Secondary School : 91.4%	
D A V Public School New Panvel	Apr 2018 - May 2019
Senior Secondary School : 93.8%	

PROJECTS

Alumni Tracking System	Aug 2022 - Jan 2023
- Designed to foster better engagement and networking opportunities, the Alumni Tracking System facilitates seamless communication between alumni and college students. - With functionalities including job postings, event notifications, and real-time chatting, the platform serves as a dynamic hub for alumni-student interactions and professional development.	
CI/CD Pipeline Project	Jan 2024 - April 2024
- Implemented a CI/CD pipeline using GitLab and AWS services, managing source code changes, automated builds, tests, and deployments. - Utilized Amazon ECR for Docker image storage and Amazon EKS for deploying containerized applications with canary deployment techniques using AWS App Mesh for controlled traffic routing.	
Cognitive Care	Jun 2023 - Current
- It is a comprehensive MERN stack website enabling Alzheimer's detection through MRI data analysis, MMSE tests for cognitive assessment, cognitive function improvement games and a supportive community forum. Research Paper Link : https://alochana.org/wp-content/uploads/21-AJ2408.pdf	

TECHNICAL SKILLS

Languages : Java, C, Python, JavaScript, TypeScript
Frameworks : React, React Native, Tailwind CSS, Express JS
Database Technologies : MongoDB, FireBase, MySQL
Other : OOPM, Web Sockets, Git, AWS, GitLab

SOFT SKILLS

Active Listener | Work Ethic | Time Management | Stress Management

EXTRACURRICULAR ACTIVITIES

- Cultural Communities** - Visual Arts Community Senior Designer
- Participated in Various Hackathons** - Syrus, Invictus, Flipkart Grid 5.0, SIH

HOBBIES

Playing Chess | Hitting the Gym

CERTIFICATIONS

Fundamentals of Deep Learning (NVIDIA) | Networking Basics (Cisco Networking Academy) | Web Development Bootcamp (Udemy)
