EXPERIENCE

TATA INSTITUTE OF FUNDAMENTAL RESEARCH | PROJECT INTERN

July 2023 – Present | Mumbai
Research focused on the GPU's comparative advantages over the CPU. Exploring the functionalities and benefits of GPU architectures and its potential applications

ISTE VESIT | JR. TECHNICAL OFFICER

Aug 2023 – June 2024 | Mumbai
My role includes organizing and conducting technical sessions. Additionally, I support fellow officers, facilitating efficient workflow and contributing to the overall success of workshops.

- Organized Spark AR workshop for 150+ students on Meta games and filters creation.
- Organized Power BI workshop for 120+ students on Data Visualization.

ZYMO | WEB DEVELOPMENT INTERN

Dec 2023 – Mar 2024 | Mumbai
Working on the production-level management of their website. Responsible for ensuring seamless website functionality.

OCTANET SERVICES PVT. LTD. | WEB DEVELOPMENT INTERN

Feb 2024 – April 2024 | Mumbai
I leveraged React to efficiently handle and optimize website performance, contributing to enhanced user experiences through front-end development expertise.

PROJECT

EDUWAVE - TRANSFORMING EDUCATION TOGETHER

Jan 2024 – Mar 2024

- Developed EduWave, an educational platform with distinct teacher and student interfaces.
- Teachers can add resources, quizzes, create meetings, access performance stats, and use a whiteboard. Students can take quizzes, join meetings, use a drawing board, and view a leaderboard for quiz scores.

PROJECT SEVAANSH - DONATION SCHEME APP

May 2023 - July 2023

- Project Sevaansh is a comprehensive donation scheme app aimed at connecting users and facilitating donations for various causes.
- With both a user panel and an admin panel, it provides a seamless platform for users to contribute and for administrators to manage the system efficiently.

THE WILD OASIS - HOTEL MANAGEMENT

Dec 2023 - Jan 2024

- Revolutionize hotel management with advanced React components, enabling seamless booking storage, management, and visualization.
- Harness the power of CRUD operations, charts, and graphs in Wild Oasis for comprehensive insights into bookings and room management.
