Class XII CBSE

Percentage: 90.80%
July 2021

D.A.V. Public School, Airoli
Class X CBSE

Percentage: 95.40%
May 2019

EXPERIENCE

Software Engineer Intern
ARCON

May 2024 - July 2024
Mumbai

- Wrote automation scripts using Java and Playwright to streamline web-based tasks
- Triggered and managed TestNG suites to ensure software quality and functionality
- Created and maintained documentation for test cases and results.

PROJECTS

Booktopia | *React, Node.js, MongoDB, Express, Braintree - Sandbox*

[Github](#)

- Developed a comprehensive online bookstore employing RBAC for admins and customers
- User-friendly 'Forgot Password' functionality for account recovery
- Filters based on genre and price, along with searchability by author and book name

Fraud Detector | *Flask, React.*

[Github](#)

- Developed a fraud detection system for credit card transactions
- Addressed the challenge of handling imbalanced datasets by using SMOTE
- Comparative analysis of various machine learning models and evaluation of performance metrics

RustyTube | *Flask, Javascript, HTML-CSS*

[Github](#)

- Developed a Chrome extension for enhanced interaction with video content on YouTube
- Implemented RESTful APIs for video summaries, transcriptions, and keyword analysis
- Developed scripts using NLTK, transformers and KeyBERT for summarization, sentiment analysis, and keyword extraction

Therapy Chatbot | *Python*

[Github](#)

- Developed a chatbot aimed at promoting mental health practices
- Embedded a sequential neural network combined with NLP techniques to generate replies.
- Implemented a minimal GUI using Streamlit.
