EDUCATION

B.E in Computer Science Vivekanand Education Society Institute of Technology, Mumbai	CGPA – 8.79 Expected 2025
HSC – Science C H M College, Ulhasnagar, Mumbai	Percentage - 90.40 2019-2021
SSC St. Joseph's Bethany Convent School, Ulhasnagar	Percentage - 88 2019

PROJECTS

On Road Vehicle Breakdown Assistance System (Breakdown Buddy)

Tech Stack: Flutter, Dart, Firebase, Google Maps API

- Developed a new Android application, improving response time by 30% for vehicle breakdown assistance.
- Utilized Google Maps API to assign mechanics based on real-time locations dynamically.
- Integrated call and email features to enhance customer support during emergencies.

Sociallopedia

Tech Stack: React, Material-UI, Redux, Node.js, Express, JWT, MongoDB

- Developed and enhanced a social media application with features including user authentication, dynamic posts, and friend management.
- Created responsive user interfaces using Material-UI and managed application state in real-time with Redux.
- Implemented secure authentication protocols with JWT and Node.js, enhancing data protection.

Medimart (Pharmacy Website)

Tech Stack: HTML, CSS, JavaScript, Node.js, Bootstrap, Socket.io, MongoDB

- Created and enhanced the MediMart pharmacy website with server-side scripting.
- Implemented seamless cart functionality with JavaScript, improving user shopping experience.
- Integrated real-time chat using Socket.io, facilitating immediate consultation and support between users and doctors.

Student Grievance Support System

Tech Stack: HTML, CSS, JavaScript, PHP, MySQL

- Developed a web application for students to submit grievances with detailed information and proof.
- Created an admin panel to manage grievances and update their status (solved, pending, in progress).
- Provided real-time status updates accessible to students, ensuring transparency and efficient resolution.

SKILLS

Programming Languages	C++, Java, JavaScript, Dart
Development	HTML, CSS, Bootstrap, MERN, Flutter
Databases	MySQL, MongoDB, Firebase
Tools	VSCode, GitHub, Git, Figma, FVM

EXPERIENCE

Bharat Intern — Frontend Developer

August 2022 – September 2022

- Developed responsive demo web projects, including a personal portfolio website.
- Enhanced UX by implementing modern design principles.
- Improved team efficiency by 15% through effective Git version control.
