

Tejas Bhalchandra Ghodke

2021.tejas.ghodke@ves.ac.in | 7218634287 | 10,Mahale Farm,Nashik-422009

Dedicated Computer Engineering student with a strong academic foundation and a keen interest in technology. Seeking opportunities to leverage my proficiency in Software Development, SQL, Web Development, Machine Learning and Data Structures and Algorithms (DSA) knowledge to contribute effectively to real-world projects and further enhance my skills.

Education:

Graduation-

Bachelor of Engineering in Computer Engineering

Vivekanand Education Society's Institute of Technology (VESIT), Mumbai

Expected Graduation: 2025 CGPA: 9.98(TILL 6th Sem)

Junior College:

HSC(Science)

Matoshree Jr College

HSC Percentage: 89.23

High School:

SSC

Maratha High School,Nashik

SSC Percentage:95.6

Projects:

1. Profit Prediction Using Machine Learning

- Implemented a Profit Prediction System making use of various ML Algorithms including Linear Regression, Multiple Linear Regression, Random Forest Regression, and SVR.
- Analyzed and preprocessed data to enhance model accuracy.

2. Rental Assistance System

- Developed a Rental Assistance System using Python and Machine Learning.
- Utilized ML algorithms to cluster rental listings based on features and provided rental options.

3. Dehazing of Satellite Images using Deep Learning

- Performed Dehazing on Hazy Images Dataset
- Used various models like AODNet, LDNet, DCP

4. News App

- Created News App using React Native and News.api
- Implemented different functionalities for App

5. Cloud Call Center Using Amazon AWS

- Developed Cloud Call Center using AWS Services like Connect, S3, Lambda.

Technical Skills:

- Proficient in Data Structures and Algorithms
- Programming Languages: C, C++, Python
- Technologies: SQL, HTML, CSS, JavaScript, React Native

Achievements: Published IEEE Research Paper on Profit Prediction using ML.
