EDUCATION

Bachelor of computer engineering VESIT, University of Mumbai

08/2021 - Present

CGPI: 9.06

Courses

- With Honors degree in AI/ML

HSC Nirala Junior College, Nagpur

07/2019 - 05/2021

Percentage: 94.33

SSC Sri Guru Harkrishan Public School, Bezon Bagh, Nagpur[CBSE Board]

2018 - 2019

Percentage: 90.8

PERSONAL PROJECTS

Congenital Heart Disease Prediction Using AI (08/2023 - Present)

- Creating a user-friendly AI tool that uses ultrasound images to detect fetal heart diseases. Trained the tool to provide quick and accurate insights for doctors, improving prenatal care. Designed for easy integration into healthcare systems to benefit both expectant mothers and babies.

Student Management System

- Developed a Java-based desktop application for Student Management, featuring comprehensive CRUD operations. Designed an intuitive user interface for efficient data entry, retrieval, and editing. Strengthened skills in Java development, database management, and user experience design.

Library Management System

- Built a website where admin can add new books and students, update the information and can search for books and students. Students also gets facility to make online reservation of the books and can see the fine he/she has.

INTERNSHIP

Java Intern Trivia Software

01/2023 - 03/2023

Mumbai

Achievements/Tasks

- Build a desktop application, using various Java SE 14 related technologies: Management System Design Project using Swings for GUI, Hibernate Framework for Oracle Database ORM.
