Fr Angelo English High School,  
Silvassa Graduated: [March, 2019]  
Score: 71.5%

## Projects

- **Smart Community:**  
Worked on a team project where we had to build smart roads using different types of algorithms, sensors etc.
- **Smart Board Using Hand Gesture Recognition:**  
Me and my team has worked in this project and build a system using different types of algorithms where it will recognize our hand gesture and print in the air canvas

## Work Experience

I have currently doing an internship of 3 months in Gaia Smart Cities as a backend developer where I work with technology like Spring Boot and MySQL workbench
