Skills

- Programming Languages : C++, JAVA, Spring Boot, React
- Technologies : HTML / CSS
- Databases : MySQL

Soft Skill

- Communication
- Multi-tasking
- Presentation

Education Background

- Std-X ICSE : 92.5%
- Std-XII HSC : 93.5%
- B.E. Computer Science
Aggregate CGPA : 9.79

Certification Courses

- JAVA Course

Achievements

- Best Presenting group in Buzz Pro competition.
- Published a paper at IEEE on Text Emotion Detection Using Machine Learning

About Me

Dedicated, Sincere and Hard working with Never Say Die attitude. Good Communication and presentation skills to lead the team by way of conducting workshops / functioning as ISA Coordinator. Interest in upgrading technical knowledge by doing certification courses / participating in Hackthons / publishing technical papers.

Project

- **Project Title :** MovieCinema
- **Technologies :** Spring Boot ,MySQL and React
- **Description :** This Spring Boot application with MySQL manages movie and cinema entities with a many-to-many bidirectional relationship. The backend is connected to a React frontend to display a list of movies. The React app communicates with the Spring Boot API to fetch and present movie data, demonstrating seamless integration between the backend and frontend.
- **Project Title :** Hardware Inventory Website
- **Technologies :** Django
- **Description :** Helps students to check the availability of various required components for projects or any other purpose.

Internship

- **Project Title :** IT Audit Checklist and Notification and Automation
Toyo Engineering India Private Limited,Kanjurmarg,Mumbai
- **Technologies :** Java
- **Description :** I developed a Java application to automate the IT audit process by reading the company's checklist and sending notifications 15 and 2 days before deadlines. This approach maintains compliance, enhances efficiency, and reduces the risk of missing deadlines, streamlining the audit process. significantly streamlining the audit process.

Extracurricular Involvement

- Praxis event management.
- SIH Hackathon : Got shortlisted among 30 teams out of participated approx. 80 teams
- Hosted Database Workshop
- Sr. Software Developer at ISA-VESIT
