EDUCATION

CSE	VES Institute of Technology, Chembur	2025	Agg. CGPA: 9.84
Diploma (Computer)	VPM's Polytechnic, Thane	2022	96.11%
SSC	Sri Ma Vidyalaya, Thane	2019	93.00%

WORK EXPERIENCE

Website Developer | VES Institute of Technology, Chembur Hybrid | **Oct 2023 – Present**
- As the developer for the Main Website of VESIT, the role is to mainly understand and implement the website's working and strive to make it better.

Tech Intern | RoboBox, Thane On-site | **Nov 2023 – Jan 2024**
- As a tech intern, specializing in HTML, CSS, and JavaScript, I contributed to the design and maintenance of responsive websites, collaborating with cross-functional teams.

PROJECTS

- **Resilient Rivers – Narmada Reservoir Flood Prediction System** ↗ Jun 2024 - Mar 2024
 - Our system uses Random Forest model to estimate potential dam overflow in advance. The system issues a prior prediction whether the reservoir will overflow or not.
- **E-waste Facility Locator (Smart India Hackathon)** ↗ Sept 2023
 - Created a user-friendly website with location tracking and displaying nearby e-waste facilities.
- **Personal Resume using GitHub Open-Source Hosting** ↗ Oct 2023 - Present
 - Created and hosted a resume-cum-portfolio website that has the link to my projects and profiles.
- **Still Photo Face Detection using OpenCV (Python)** ↗ Nov 2022
 - Face detection using Python OpenCV module through appropriate use of Haar Cascade XML fileFace
- **Your AI Buddy** ↗ Sept 2021 - May 2022
 - Your AI Buddy tries to help people improve their mental health.

CERTIFICATIONS

- **Career Essentials in Generative AI** ↗ Microsoft | Jun 2024
- **2023-24 Tableau Certified Data Analyst Training by Jed Guinto** ↗ Udemy | Oct 2023
- **Android App Development Using Kotlin** ↗ IIT Bombay | Aug 2021
- **Python 3.4.X** ↗ IIT Bombay | Aug 2021

PUBLISHED PAPER

- **Comparative study of Models to predict the overflow probability of various schemes of Narmada Basin** ↗
 - Published in SIRJANA JOURNAL[ISSN:2455-1058] VOLUME 54 ISSUE 5 ↗
