ACHIEVEMENTS

- **Finalist** in Syrus'24 hackathon 🏆
- **Finalist** in HackHaven 1.0 hackathon 🏆
- **Finalist** in Syrus'23 hackathon 🏆
- **Runner-Up** in Utsav'24

EXPERIENCE

Developer at Palcoa Solutions Pvt. Ltd

February 2024 - May 2024

- Converted a web application to a Progressive Web App (PWA) and implemented various security measures to enhance safety and reliability.
- Implemented multifactor authentication(2FA) and a secure login mechanism to ensure user access safety.

Software Development Intern at Naseoh

November 2023 - April 2024

- Developed a desktop application using Python's Tkinter and MySQL to manage and track aids for disabled individuals.
- Enabled users to apply for medical assessments, with doctors matching results to eligible job types, facilitating career guidance.

Junior Operations Officer - ISTE VESIT

August 2023 - July 2024

- Facilitated seamless workshops and competitions through collaboration from planning to execution.
- Proficient in event coordination, communication, and team management.

PROJECTS

PILLAR 🔄

- Built using **NextJS, TailwindCSS, Flask, PyTorch, DistilBART, Llama2 LLM**.
- **Simplifies legal documents** for laymen by providing summaries and key details in an **easy-to-understand** format.
- Helps **lawyers** find historical cases through a **simple search functionality** and allows users to **chat** and **interact** with documents.
- Worked on various machine learning models to meet specific requirements and implemented the search functionality.

VaxChain 🔗

- Implemented using **ReactJS, Tailwind CSS, and Solidity**. Smart contracts were deployed on **Ethereum** and **Polygon testnets**.
- The system tracks **vaccines** from **manufacturers** to end users using **unique NFTs**, visible on **OpenSea**. This ensures transparency and trust in the vaccine distribution process.

OfficeBlocks 🔗

- OfficeBlocks is an office-space rental website made using **ReactJS** and **Supabase**.
- The platform helps the property owners and business owners connect and helps find their perfect property to get started.
