EXPERIENCE

- | | |
|--|---|
| ML Intern
<i>I-Hub, IIIT-Hyderabad</i> | Oct. 2023 – June 2024
<i>Mumbai, India</i> |
| <ul style="list-style-type: none">Developed a GRU model with fine hypertuning for detecting anomaly in driving behavior in 2-wheeler vehicles using data collected from sensors. | |
| Sr. Public Relations Officer
<i>Computer Society of India - VESIT (CSI-VESIT)</i> | Aug. 2023 – Mar. 2024
<i>Mumbai, India</i> |
| <ul style="list-style-type: none">Implemented UI/UX Tools such as Adobe Photoshop, Adobe Illustrator and Figma for creating posters and banners | |
| SE Coordinator
<i>IEEE-VESIT</i> | Jan 2023 - April 2023
<i>Mumbai, India</i> |
| <ul style="list-style-type: none">Cooperating with the council including poster designing using Adobe Photoshop and Figma and creative writing.Planning and assisting in events and workshops | |

PROJECTS

- Smart Driver Assistant for Reduction of Road Fatality**
- Collaborated on the development of a Gated Recurrent Unit model for multi-output regression for a time series-data along with hyperparameter tuning.
 - Result included a visualization of the actual versus predicted graph, residual calculation and anomaly detection.
 - This project was granted Rs.10 lakh from IIIT-Hyderabad
- Lung Diseases Classification**
- Developed a machine learning model that was able to diagnose and classify lung diseases based on the image provided by the user.
 - Accuracy of 81%, 76%, and 62% in the classification of lung diseases using CNN, SVM and Logistic Regression was obtained respectively.

TECHNICAL SKILLS

Languages: Python, C, SQL, JavaScript, HTML/CSS
Technologies/Frameworks: TensorFlow, Django, MySQL,
Developer Tools/OS: GitHub, Linux- Kali Linux, Parrot OS, PowerBI

EDUCATION

- | | |
|---|-----------------------------------|
| Vivekanand Education Society's Institute Of Technology
<i>Activities - Athletics, Football, Chess, Guitar, Essay Writing, Teaching in Orphanage</i> | Chembur, India
<i>May 2025</i> |
| Pace Junior Science College
<i>Activities - Athletics, Lawn Tennis, Trinity(Guitar)</i> | Nerul, India
<i>2019-2021</i> |
| Fr. Agnels Multipurpose School
<i>Activities - Maths and Science Olympiads, National level athletics, Football, Elocution, Trinity(Guitar)</i> | Vashi, India
<i>2006-2019</i> |

CERTIFICATIONS

- Participation in CTF Contest by HSBC Technology and IIT Bombay Trust Lab**
| Kali Linux, Network Security
- Participation in CTF Contest by IIT Bombay Trust Lab**
