EDUCATION

Vivekanand Education Society's Institute of Technology	2025
B.E.—Computer Engineering—Mumbai	(CGPA : 9.97/10)
V.G. Vaze College	2021
HSC— Science— Mumbai	(Percentage : 98%)
New Horizon Scholars School	2019
CBSE— Mumbai	(Percentage : 97.2%)

SKILLS

Languages - Java, Python, C

Development - HTML, CSS, JavaScript, PHP, MERN Stack, React, Node.js, MongoDB, MySQL, Oracle, Firebase

AI & Data - Machine Learning, Deep Learning, Microsoft Azure, Docker

EXPERIENCE

Digital & Analytics Intern May 2024 - July 2024
PGP Glass Pvt. Ltd.

Conducted data collection and analysis on AR/VR platforms for glass products. Developed and compared deep learning models using Xception (ReLU and Mish activation) and ResNet architectures.

Web Dev Intern December 2023 - January 2024
NullClass Edtech Private Limited

Created a full stack website using MERN Stack and added features like login history, change theme (dark/light mode), and video play actions to the website.

Project Intern June 2023 - July 2023
Nuclear Power Corporation of India Limited

Designed and implemented a Time Synchronization Server utilizing Raspberry Pi, enhancing company-wide time accuracy and efficiency.

Senior Graphic Designer August 2022 - Present
CodeCell Committee, VESIT

Designed banners, logos, and promotional posts events, while also organizing and conducting workshops.

PROJECTS

Stack Overflow Clone

Tech Stack: MERN Stack (MongoDB Atlas, Express.js, React, Node.js)

Developed a Stack Overflow clone website facilitating community-driven knowledge sharing. Hosted on Microsoft Azure using Docker.

PGLife Website

Tech Stack: HTML, CSS, PHP, MySQL

A website displaying available PGs in different cities and their brief description, amenities, cost, and guest feedback.

Text Emotion Detection Using Machine Learning Algorithms

Comparative analysis of three ML algorithms namely, Linear SVM, Random Forest, and Logistic Regression, to detect emotions from user input.

ACHIEVEMENTS

- Paper titled "[Text Emotion Detection Using Machine Learning Algorithms](#)" published in IEEE Xplore.
- Won Best Presentation Award in BuzzPro'23 Technical Paper Presentation.
